Jul 2020 - Henley, not Henley

The July challenge was chosen by the #Tokyrow Team

This is an homage to the famous Henley Royal Regatta which like many others has had to be cancelled this year. and covers the traditional course distance of 1 mile 550 yards (2112m).

If you really want to add to authenticity/reality you can give it a go on the first day and then just sit in the sun and drink Pimms (or any other chosen beverage) for the rest of the month.

That is what most competitors end up doing!

Row the 2112 metre length of the Henley Regatta course.
It is a straight row (no frills, no caps etc)

Record your best time for 1mile 550yds.

The August challenge will be chosen by the Forum Flyers.
See [C2 forum thread](#) for details.
