Dec 2020 - 813 Metres Through The Ages

The December challenge was chosen by Gee Crew

The Gee crew want to show that rowing is an activity for all ages.

They have added up the years over seventy of their members and are asking us to row that as a distance in metres.

Record your time for 813 metres of rowing

There are no restrictions.

The January challenge will be chosen by Mercian Nordic Walkers.

See [C2 forum thread](#) for details.
